

PLANNING FOR A CHANGE OF GOVERNMENT

THURSDAY 2 MAY 6.00PM – 9.00PM

JOIN US AS WE EXPLORE THE POSSIBILITY OF A NEW LABOUR GOVERNMENT

With most polls projecting around a 20-point lead in the run-up to the general election, the Labour party is the odds-on favourite to form the next government. If these forecasts prove correct, what changes might be made to raise funds, how might these changes affect you and what can you do about it?

Join us for our *Planning for a change of government* event on Thursday 2 May when we'll be joined by speakers from across Rathbones to uncover answers to these pressing questions and more.

You'll hear directly from Randolph Churchill, investment director at Rathbones and great-grandson to former prime minister Winston Churchill.

In addition, our panel of speakers will discuss the potential macroeconomic impacts that the election may have and how funds are being positioned to take advantage of equity volatility.

With an election looming, this is the perfect opportunity to hear from our financial planning experts as they discuss some of the top things to consider if a new Labour government were elected. They'll share valuable insights to help you assess the potential effect a change in government could have on your financial plans as a taxpayer.

The session will be followed by drinks and canapés and an opportunity to pose any further questions to our panel.

We hope you can join us for what promises to be an insightful evening. You are of course very welcome to bring a guest should you wish.
